Smart Beer Service, Reimagined

ABC-160-2TB

The TéVera Automatic Beer Dispenser is designed for high-service venues that need speed, control and a polished customer experience. With assisted self-pour functionality, integrated beverage tracking and flexible multi-keg operation, it brings a smarter approach to modern beverage service.

Assisted Self-Pour Dispensing

Supports a guided, staff-supervised pour experience designed for faster service and better customer flow.

Smart Payment & Beverage Tracking

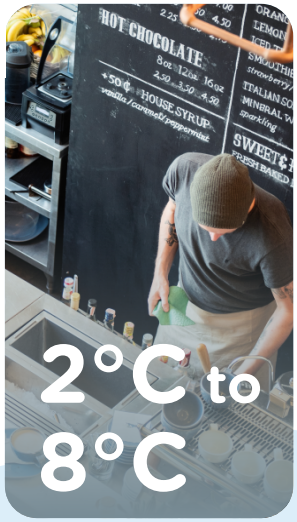

Beverage monitoring helps venues streamline service and improve control.

2-Keg Multi-Beverage Capacity

Holds up to 2 × 20L kegs and can support beer- irst programs as well as other kegged beverages.
